Our sleeping accommodations are found around the Muskoka Woods property. The majority of the buildings are broken up into 4-6 separate rooms sleeping 12-14, some are free-standing cabins which sleep 10-14.

Students are together with their small groups and small group leader(s) stay with them in their assigned cabin.

SPECIAL DIETARY REQUIREMENTS

Meals at Muskoka Woods are served buff et style. Guests enjoy a wide variety of foods, including a full salad

bar and vegetarian meal options. Please inform us of your child's special dietary needs when you register, and we will be glad to accommodate them. At most meals, guests are seated with their cabin group. Due to the number of guests and staff with nut allergies, we ask that you not send any snacks with your children containing nuts of any sort.

MAIN SESSIONS

The goal of this retreat is to help students develop better daily disciplines with God in His word, in prayer and in worship. We do this through main teaching time, small group discussion and activities. Our hope and prayer is
