JESUS MESSIAH:
SEEING CHRIST IN THE GOSPEL OF MARK

Adventures In Missing The Point
Mark 9:30-37
Rev. Paul Carter January 14, 2018

Introduction:

1. We See The Disciples Missing the Point

Why Did The Disciples Miss The Point?

i. Because they were influenced by cultural assumptions

ii. Because they were favouring certain emphases within the Old Testament

2. We See Jesus Getting Them Back On Track

What Should We Do In Response?

1. We need to audit our cultural assumptions

2. We need to commit to reading the whole bible

3. We need to "lower" the bar in 2018

Questions (For 'You' And For 'Us')

i. Do you want to be on the Board or do you want to serve in the nursery?

ii. Are we trying to be the biggest church in town or are we trying to reach the lost?
