WELCOME

Welcome! We hope that today's service will be an encouragement to you. If you are returning, welcome back. If you are visiting for the first time, we'd love to get to know you; please fill out your Connection Card and bring it by Guest Central where we have a welcome gift and more information about our church. Additionally, this week we will have representatives from our Student Ministries in Guest Central to answer any of your questions and help you get connected.

We don't expect our visitors to put money in the offering plate. We do have an offering each service as an opportunity for our members and regular attendees to give to support the work of the church. If you want to put something in the offering plate, feel free, but also feel free to let the plate pass by.
