Introduction:

What Kept the Disciples from Seeing Christ as they Should?

1. They were blinded by their **cultural** preconceptions

2. They were blinded by their **prideful** ambition

In God's Kingdom

1. In God's Kingdom, **greatness** comes through service

2. In God's Kingdom, God is particularly **pleased** with service for the marginalized

Gospel Living

1. We **serve** because Christ first served us
